

LEGACY LAGNIAPPE

CONSTANCE B. RATCLIFF, MS, LPC-MHSP, NCC, RPT **CLINICAL DIRECTOR**
LEGACY FAMILY COUNSELING

Legacy Family Counseling - New Location

Counseling Services: Pre-marital couples counseling, advanced parent skills classes and child behavioral modification training, family consultation, attention skills training, social skills groups, teen parenting groups, individual child, teen and adult counseling. **Child Therapy:** Services provided addressing a variety of emotional, behavioral & developmental childhood issues related to autism, aspergers, grief, trauma, conduct difficulties, anxiety, ADHD and adjustment difficulties.

Legacy Lagniappe is the first Legacy Family Counseling newsletter which I hope will prove informative and inspiring to families and professionals. This publication will serve to provide periodic updates concerning upcoming counseling

services and topics of interest to children & families.

Legacy Family Counseling is currently celebrating it's 7th year of serving children and families in the Bradley/Cleveland community!!!

3555 Keith St. Suite 110, Cleveland, TN 37312 (423) 650-3375

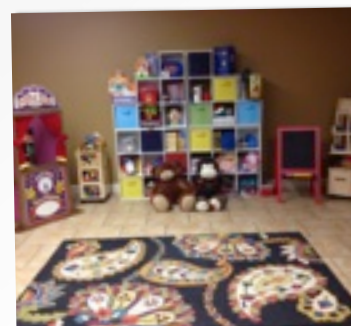

After a summer filled with packing and unpacking, setting up a new playroom, and organizing the various offices, it is now time to welcome new and existing clients and families. Ongoing services include counseling for individuals, groups, children, teens and adults!!

While the 1st edition of the “**Legacy Lagniappe**” is devoted to the announcement of the new facility; future editions will highlight family, child and counseling topics as well as information about community resources and events.

Congratulations to: New Hope Pregnancy Care Center for the incredible Walk for Life Event held on October 6, 2012.

What a pleasure it was to participate and to see so many of you there supporting life and family!!!!

Walk For Life Information
